

Easter Menu Reheating Instructions 2018

We recommend oven reheating

Grilled Tenderloin Filet

Do not microwave!

Bring filet to room temperature.

Preheat oven to 350°

Place filet in an oven safe container, cover with foil and heat for about 8-10 minutes or until warm in the center.

Jumbo Steamed Shrimp

Bring shrimp to room temperature.

We do not recommend heating shrimp in the microwave oven.

Béarnaise Sauce

Pour sauce in a heat proof dish/container and heat gently in a warm water bath.

DO NOT USE BOILING WATER OR MICROWAVE!

Asparagus

Bring asparagus to room temperature.

Preheat oven to 325°

Place the asparagus in an oven safe container and heat about 5-8 minutes or until warm.

Twice Baked Potatoes

Bring potatoes to room temperature.

Preheat oven to 350°

Place in an oven safe container and bake approximately 10-15 minutes or until warm in the center.

MICROWAVE REHEATING INSTRUCTIONS

Asparagus: Heat on high until hot in center (about 1 minute)

Twice Baked Potatoes: Heat on high until hot in center (about 1 minute)
